

A COLORING + LEARNING ADVENTURE

Meet Kenya’s wild animals!

Take a colorful journey through Kenya’s wild places. Meet lions, elephants, giraffes, zebras, cheetahs, flamingos, and more while learning simple facts about habitats, animal tracks, and conservation.

Inside this book

- 30 realistic wildlife coloring pages
- Animal facts and habitat notes
- Map, tracks, Big Five, and safari vocabulary
- Conservation activity and scholar certificate

For young explorers ages 5-8

Color, learn, and discover how small actions can help keep wild places healthy.
